Dear FOIA Officer;

Pursuant to the Freedom of Information Act, I would like to request a copy of each edition of the Department of Energy's "Quarterly Reporting on Congressional Requirements" prepared in calendar years 2003 and 2004 up to and including the current date. A reference to this document can be found in House Report 108-554 in the Energy and Water Development Appropriations Bill for 2005, where it is clearly identified as a DOE document.

I make this request in my capacity as a member of the media, to wit, Senior Contribution Editor of the energy weekly *Clearing Up*.

Disclosure of this information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of myself, *Clearing Up* or its publisher, Energy Newsdata. Therefore I request that any and all fees in connection with this request be waived.

Please feel free to phone me if there are any problems with this request.

Sincerely,
Ben Tansey
Sr. Contrib. Ed., *Clearing Up*
